INTRODUCTION

Since 1973, The Technical Scissors Company (TSC) has been a leading pioneer in the United Arab Emirates in designing, tailoring, sewing and supplying clothes, textiles, furnishings, shoes, civil, military equipment & Uniforms of schools, hotels, restaurants, cafes, hospitals as per client's requirements, expectations, and as a fulfillment to all their consent.

MISSION & VISION

We believe that there are no limits in the way we could satisfy our customers. Their needs are a point of inspiration to motivate our employees in meeting their demands. Their satisfaction is our concern. Our vision is to continue to be the leaders in our market by assuring total quality management in order to improve our functions and processes based on market requirements.

OUR PHILOSOPHY OF TOTAL QUALITY LEADERSHIP

Products and Services: The quality of our products and services is the result of the commitment our people make to their jobs. The continuous improvement in our products and services reflects the efforts of our employees.

People: Our ability to compete in the market is the result of our commitment to teamwork. Employee involvement is our way of life, which empowers all employees to participate in implementing this policy and to assume responsibility for the quality of their work.
